Application Forms are available from your Financial Adviser or from the Secured Website. The Company reserves the right to decline any application (including an application to open an Account or any Investment Application) at its absolute discretion.

The meanings of the defined terms used in these Terms and Conditions are set out in the Glossary to these Terms and Conditions.

- (b) You may open one or more account or Sub-Account under your Account. You may make investments and/or establish Cash Accounts in or through a Sub-Account and such investments and Cash Accounts will be held under the Sub-Account specified by you at the time of your investment or application (as the case may be). If applicable, you will be required to select a Contract Currency for each Sub-Account opened by you and you may not subsequently change this selection. For the avoidance of doubt, the Contract Currency for any Sub-Account that accepts CPF or SRS monies for investment shall be Singapore Dollars only.

The Company may, from time to time, make available additional features and enhancements to any of the Plans, and the availability of such additional features and enhancements are subjected to these Terms and Conditions and such other terms and restrictions as the Company may specify in respect of that Sub-Account from time to time at its discretion.

B2. Types of Accounts

- (a) **Single Accounts**
Single Accounts may be opened by any one adult. An adult is a person who has attained the age of 18 years.
- (b) **Joint Accounts**
Joint Accounts may be opened:
 - (i) by 2 adults ("**non-minor Joint Account**"); or
 - (ii) by a minor and an adult who is the minor's parent or legal guardian ("**minor Joint Account**").

A minor is a person who is below 18 years of age.

For non-minor Joint Accounts, an authorisation for a Transaction is required from either one or both of the Account holders in accordance with the written instructions of the Account holders.

For minor Joint Accounts, instructions given by the adult Account holder is binding on the Account holder who is a minor until he reaches the age of 18, after which, the adult Account holder has to provide written instructions to the Company on the signing condition for the non-minor Joint Account. In the absence of any written instruction, the Account shall continue to be a minor Joint Account.

In case of the death of any one of the Joint Account holders and subject to any applicable law for the time being in force, upon the survivor producing such evidence of death, the existing unitholding of the Joint Account will be transferred to a new/existing Single Account of the survivor owner (as applicable) as the initial unitholding of the Account. The account structure setup of the Account will follow the same structure setup of the original Joint Account but with no transaction history and historical documentation from the original Joint Account. Upon full transfer of the unit holdings, the Joint Account(s) with the Company will be terminated and any standing instruction in the Joint Account(s) (if applicable) will cease. However, in the case of a minor Joint Account where the survivor is a minor, the Company shall act only on the requests, applications or instructions of the surviving minor after he attains the age of 18. The Company shall not be obliged to act on the requests, applications or instructions of the heirs, executors or administrators of the deceased adult joint holder, and shall not be liable for any claims or demands whatsoever by such heirs, executors or administrators of the deceased adult joint holder, the minor joint holder or the minor joint holder's legal guardian for omitting to act on any request, application or instruction given by the minor before he attains such age or by the heirs, executors or administrators of the deceased adult joint holder. However, the Company may, at its sole discretion, act on the requests, applications or instructions of the legally appointed guardian or guardians of the surviving minor before the surviving minor attains the age of 18, if the Company has received such documentary evidence satisfactory to it of the identity, appointment and status of such guardian or guardians.

A Single Account may, at the Company's sole discretion, be converted to a Joint Account by completing and sending the relevant Application Form to the Company. The Application Form must be signed by the existing Single Account holder and the proposed new Joint Account holder, and accompanied by such documents as the Company may require to process the addition of the new Joint Account holder to the relevant Account. For the avoidance of doubt, Joint Accounts may not be converted to Single Accounts except in such circumstances as the Company may determine from time to time at its sole discretion. Joint Accounts may not be used for investments using CPF or SRS monies.

(c) Corporate Accounts

Corporate accounts may be opened by any company incorporated and registered in Singapore or, at the Company's sole discretion, corporations incorporated and registered outside Singapore. All Application Forms and other instructions have to be signed by one or more signatories of the relevant company who have been expressly authorised by way of a board resolution of that company. You shall provide to the Company from time to time upon its request of such documents, including but not limited to documents relating to your corporate identity, registration and constitution and the authorisation of your authorised signatories.

B3. Account Structure

(a) Wrap Account

This section will apply to you if you have or will engage the services of the Company and the Financial Adviser representative named in the Application Form to provide portfolio administration, financial advisory and/or portfolio management services to you relating to your investments in a Wrap Account.

For Wrap Accounts, you agree to pay an on-going adviser charge stated in the Schedule for Funds Investment to the Company. The on-going adviser charge may include a performance fee component. Any taxes, duties and/or other expenses arising from the on-going adviser charge shall be borne by you. For such purpose, you will consolidate your investments in the Account and the Account will hereinafter be referred to as the "Wrap Account". The Wrap Account may be utilised for investments in Securities. The on-going adviser charge accrues daily based on the aggregate value of the Securities and the cash balances in the Cash Account, and is computed at the end of each quarter (being the end of March, June, September, December respectively of each year) based on the rate set out in the Application Form.

(b) Non-Wrap Account

Alternatively, if you do not require active portfolio management, you may opt for an Account referred to as the "Non-Wrap Account". This is an account where fees will be charged per transaction performed without on-going adviser charge.

B4. How investments will be held under your Account

All investments made via your Account will be held on your behalf by a custodian.

You authorise the Company to appoint a custodian (the “**Custodian**”) for any period of time in relation to your investments made via your Account to perform the functions and on the terms and conditions set out in Section B4 (Custodial Services). The Company may, subjected to it fulfilling the necessary licensing requirements, itself undertake the role of Custodian or appoint a related entity or a third party to act as the Custodian (please refer to the Website for details on the Custodian). The Company shall not be liable for any default or breach by any related entity or a third party appointed to act as the Custodian, and/or any of such entity’s agents in providing custodial services, where such entities are appointed in good faith.

The Custodian will send you written confirmation of all investments held on your behalf at frequencies stipulated by the relevant authorities, and in the absence of such stipulation, at frequencies determined by the Company.

B5. Custodial services

You authorise the Custodian to hold and to effect all Transactions in relation to your investments on your behalf. The Custodian shall also have the power to effect any Transaction with respect to such investments upon:

- (a) The sale, disposal or redemption of such investments for your Account;
- (b) The exchange of such investments for other investments or cash in the event there is a merger, consolidation, reorganisation, recapitalisation or readjustment of the investments concerned;
- (c) The conversion of such investments pursuant to their terms into other investments;
- (d) The exercise of subscription, purchase or other similar rights represented by such investments;
- (e) The collection of income and other payments with respect to such investments;
- (f) The transfer of such investments to any other custodian or sub-custodian by the Company; and
- (g) For any other purpose incidental to or for effecting your instructions.

The Custodian will collect or will procure collection of all distributions, interest, redemption proceeds and other income payable or receivable in respect of your investments.

On receipt of any such distribution, the Custodian will pay or will procure payment of the same (as they may be allocated to your investments) in accordance with the directions of the Company pursuant to these Terms and Conditions within any period prescribed by law or otherwise in accordance with the Custodian’s usual practice.

The Custodian will send to you reports, accounts and other communications that it has received in respect of any investment held by the Custodian on your behalf which it is required to forward to you by law and within the stipulated timeframes, or in the absence of any such legal requirement, may in its discretion (without the Custodian being obliged to do so) send to you such reports, accounts and other communications which it may deem relevant. All rights of voting arising in respect of any investment in which you are invested (including directions as to any corporate entitlement arising there from and the exercise of rights attached to such investment) will be exercised by the Custodian in such manner as it may reasonably determine as being appropriate.

The Custodian may register all investments or hold such investments in its own name or that of its nominees or in such other name and held to its order as it may think proper. As your investments will be held in the name of the Custodian or its nominees on your behalf, your rights in relation to such investments may only be enforced through the Custodian or its nominees, as appropriate. In performing its duties, the Custodian may appoint, at its discretion, other parties as its agents, sub-custodians, nominees and delegates to perform in whole or in part any of its duties and discretions. The Custodian shall not be liable for any default of such agents, sub-custodians, nominees and delegates if employed in good faith.

The Custodian shall not be liable for any loss to your Account save where such loss is directly attributable to the fraud or negligence on the part of the Custodian in the performance of its custodial services. The Custodian shall under no circumstance be liable for any special damages.

All investments which the Custodian or any of its agents, sub-custodians, nominees or delegates may hold from time to time on your behalf shall be subjected to a general lien for all costs and charges owed to the Company and to the Custodian and you consent to the same. The Custodian shall have power to withhold and/or sell such securities for the discharge of your payment obligations to the Company (on its instructions) or to the Custodian (as the case may be).

The Custodian may hold your assets with those of other investors on a commingled basis; if so, your interest in your assets may not be identifiable by separate certificates or other physical documents or electronic records. The Custodian shall maintain records of your interests in assets that may be commingled.

Any action that may be taken by you to enforce your rights, in relation to the units held under the Custodian's name, shall be directed at the Custodian. You acknowledge and agree and the Company shall not be liable to you for any actions, claims, cost, losses, charges, expenses and damages suffered or incurred by you arising from or in connection with the insolvency of the Custodian, cessation of business of the Custodian and/or any act or omission of the Custodian.

Whenever you receive any statements of account, contract notes (if applicable), confirmations or notifications in respect of any Transaction or any document (collectively, the "Statement") provided in relation to the Account from the Company, you agree that you will inform the Company of any mistakes or omission or disagreements within fourteen (14) days from the date of the relevant Statement. If you fail to do so, you are deemed to have agreed to the contents in such Statement and will no longer have the right to dispute the accuracy of the Statement. Accordingly, the Company has the right to treat your silence as your representation that the Statement is accurate. Nothing in this Clause shall prevent the Company from unilaterally amending any such Statement for any inaccuracy it detects.

All prevailing expenses and costs payable for any custodial services, where applicable, shall be set out in the Website.

C1. HOW YOUR ACCOUNT WORKS

(a) Cash Accounts

Cash Accounts may be established in respect of the Plans held by you under your Account.

Subject to these Terms and Conditions and to the extent permitted by law or by the relevant authorities, your Cash Accounts are used for the purposes of crediting income and interest accruing to you in respect of your investments, debiting fees and charges due from you, and such other purpose as the Company may determine from time to time.

No interest shall be paid on amounts in your Cash Accounts except in such circumstances as the Company may determine from time to time at its sole discretion. For the avoidance of doubt, if interest is being paid, the Company may cease such payment at any time without giving any reason or prior notice. Your Cash Accounts should not be used as bank accounts and monies should not be placed in these accounts solely for the purpose of earning interest (if interest is payable) on such monies. Monies in your Cash Accounts are not protected under the Deposit Insurance Scheme.

The Company will hold all monies in your Cash Accounts in trust accounts maintained with licensed financial institutions. Your monies in the trust accounts may be commingled with that of other investors. The Company will maintain records of your monies in each of your Cash Accounts.

Your Cash Accounts are subjected to the operation of law, the directives of the relevant authorities and these Terms and Conditions. Subject to these Terms and Conditions and to the extent permitted by law or by the relevant authorities, you authorise the Company to use any of your investment monies in your Cash Accounts to:

- (i) settle payments in respect of your subscriptions into or purchase of investments;

- (v) settle any fees, charges and expenses payable to the Company; and
- (vi) make or withhold any payments required by law, including but not limited to income or other form of tax or assessment.

The Company reserves the right, by giving you at least 30 days' written notice or any other period as may be stipulated or required or agreed by the relevant authorities, to:

- (1) impose a minimum balance for any of your Cash Accounts;
- (2) impose a limit on the maximum balance for any of your Cash Accounts; and
- (3) close any of your Cash Accounts.

(b) Maximum Cash / SRS Balance

The aggregate of all balances in all Currency of your Cash and / or SRS Accounts denominated in Singapore Dollars at any time will be subjected to a maximum limit (the "Maximum Balance").

In calculating the aggregate balance for this purpose:

- (i) balances in all such Accounts which are held singly by a particular individual will be aggregated;
- (ii) balances in all such Accounts which are held jointly by the same individuals (whether non-minor Joint Accounts or minor Joint Accounts) will be aggregated; and
- (iii) for the avoidance of doubt, balances in any such Account held jointly by a particular individual with another person will not be aggregated with that individual's balances in any other Account under any other Sub-Account held by that individual singly (and vice-versa).

You may check the current Maximum Balance with the Company or from the Website. The Maximum Balance may be revised from time to time by written notice to you, and the revised Maximum Balance (together with the relevant effective date) will be published on the Website.

You expressly authorise the Company to return to you any excess above the Maximum Balance from time to time, or return to you all the balances in any SGD Cash / SRS Account, at any time at its sole discretion. If you have more than one Account, the Company has the discretion to determine from which Account(s) such return will be made, and the amounts to be returned from each such SGD Cash / SRS Account.

C2. Investing in Funds / Model Portfolio Services

(a) Important note

All Sub-Accounts allow you, as the investor, to make the investment decisions. Please refer to the offering documents of the relevant Funds for information about the risks associated with your choice of investments. Each Fund is offered on the basis of information set out in the relevant offering document, a copy of which is available from your Financial Adviser or the Website. You should read the relevant offering document before deciding whether or not to invest in the Funds.

The value of the units in any Fund, and the income accruing to such units, may rise or fall. Funds are not bank deposits and they are neither guaranteed nor insured by the Company and/or its affiliates. The risks of investment include the possible loss of the principal amount invested. Past performance of any Fund is not indicative of its future performance.

In addition, the following should not be taken as an indication of the investment potential of any Fund:

- (i) the credibility of the fund manager managing the Fund;
- (ii) the probity of the investment company offering that Fund for investment purposes; or
- (iii) the fact that the Fund is made available for investment under any of your Plans.

While the Company endeavours to process your Investment Applications in a timely manner, please note that completion of the relevant Transactions are dependent on the individual fund manager's operations and processes and on the specific procedures for each particular Fund. If the Company provides you with general information that may be relevant to any Fund, such information shall not be treated or construed as advice to you and the Company will not be responsible for any loss that you may suffer or incur as a result of any action taken or omitted to be taken by you on the basis of such information.

You hereby agree that the Company shall be entitled to receive the fees as set out in the Schedule for Funds Investment.

(b) Model Portfolio Services

This section will be applicable to you if you subscribe to Model Portfolio Services ('MPS'). You agree and authorize the Company to be your Custodian and to buy and sell your funds in the model portfolio upon receiving instructions from your Financial Adviser and you.

You are aware that your Financial Adviser will decide on the frequency, scope and methodology of rebalancing, to give instructions to us on your behalf for the purpose of rebalancing your model portfolio.

Rebalancing is the process of realigning the weightings of a portfolio of Collective Investment Schemes (CIS). Rebalancing involves periodically buying or selling CIS in a portfolio to maintain an original or desired level of asset allocation or risk.

A rebalancing will be triggered by your Financial Adviser. If you do not approve it, your existing portfolio will not follow the latest recommendation made by your Financial Adviser.

Please note that any regular subscriptions also known as Regular Savings Plan (RSP) into model portfolio will be according to the latest model allocations at time of transaction. This may differ from your initial model portfolio's holdings.

Your Financial Adviser shall endeavor to ensure that the instructions to the Company in the portfolio(s) are consistent with the investment strategies and objectives of the respective portfolio(s).

Your Financial Adviser shall have the discretion to terminate the MPS upon the occurrence of any of the following:

- (a) full redemption of all the relevant portfolios;
- (b) your decision to opt out; or
- (c) an Account that has been deemed to be dormant based on a set of criteria that the Company may determine from time to time.

The Company reserves the right, by giving you at least 30 days' written notice or any other period as may be stipulated or required or agreed by the relevant authorities, to terminate the MPS.

You hereby agree that the Company shall be entitled to receive the fees as set out in the Schedule for Funds Investment.

- (ii) Payment in respect of a withdrawal request will be deducted from any cash balance in your Cash Account. Payment in respect of a redemption request will be made directly from the redemption proceeds of the relevant Funds.
- (iii) Payment in respect of a withdrawal or redemption request will be made to you within such period as may be stipulated by the relevant authorities or otherwise in accordance with the Company's usual practice. The Company reserves the right to deduct any outstanding fees and charges owed to the Company from the withdrawal or redemption amounts prior to paying such amounts to you.
- (iv) If the remaining balance in your Sub-Account falls below the minimum balance set out in the Schedule for Funds Investment, the Company shall redeem your holdings fully and proceed with the closure of your Sub-Account.

Such request will be subjected to the Company's sole discretion and such other terms and restrictions as the Company may specify in respect of the relevant Sub-Accounts from time to time.

(f) Switch

- (i) You may, from time to time, switch units from one or more Funds under a Sub-Account to one or more Funds under the same Sub-Account held under your Account by completing and sending the relevant Application Form to the Company. Such Transactions and your Investment Application will be subjected to such limitations as may be imposed by the Company in respect of any particular Sub-Account from time to time.

Such Transactions and your subscription Application will be subjected to such limitations as may be imposed by the Company in respect of any particular Sub-Account from time to time, including the mode of payment (either by way of cash, CPF monies or SRS monies) prescribed by the Company in respect of that Sub-Account.

- (ii) The regular subscription amount will be deducted from the relevant account on a fixed date at your nominated frequency. The Company reserves the right to process such subscription within such number of business days as may be stipulated or required by the relevant authorities or otherwise by the Company.
- (iii) In the event the regular subscription cannot be made on your behalf by the Company for any reason, including data discrepancies, insufficient funds in the relevant account for deduction, or the suspension or termination of any Fund into which the regular subscription amount is to be invested, the Company may, at its sole discretion, make further attempts to deduct the regular subscription amount (if applicable) at such time as the Company may determine, or cancel your regular subscription application for all future deductions. You agree to absolve the Company from any liability for any loss whatsoever and howsoever suffered arising from such cancellation.

If we are required to redeem some of your investments to meet your regular withdrawals, you authorise us to redeem sufficient assets to meet the regular withdrawal due to you and the full amount of such redemption proceeds shall then be paid to you, after deducting any outstanding fees and charges owed to the Company.
- (iii) Except where the Company has received specific instructions in writing from you with respect to the redemption of your investments to meet your regular withdrawals, the Company may (but shall not be obliged to) first redeem units in the least volatile Fund in which you have invested, as determined by the Company at its sole discretion, in order to meet your regular withdrawals.

- (v) This regular withdrawal facility is not available in respect of investments made using CPF monies.

(i) Distribution of income

Your income entitlement is the total of all income arising from your investments, together with realised and unrealised gains and losses arising from your investments, and any other amount credited in units or dollar value to your Account in the manner that the income was received by the Company. If you have invested in any Fund which provides you with an option to reinvest any income, the Company will select this as the default option. Income may either be reinvested as aforesaid, paid to you or (to the extent permitted by law or by the relevant authorities) credited into the Cash Account under the relevant Sub-Account.

Should you redeem, switch out or transfer out your holdings prior to the crediting of dividends, it is at the Company's sole discretion to handle the dividends due to you, either to be reinvested or paid out to you.

Units in any Fund to be acquired or redeemed pursuant to an Investment Application will be acquired or redeemed at the prevailing unit price at the relevant valuation date for that Fund on the date that the relevant fund manager accepts and carries out the transaction request received from the Company, and in the case of subscription requests to be accepted only on a cleared funds basis, such later valuation date after the date the relevant fund manager receives the subscription monies. All subscription monies will be submitted to the relevant fund manager after deducting any applicable fees and charges due to the Company.

This process will require the Company to identify, verify and conduct a proper risk assessment before proceeding with the Transactions. You acknowledge that Transactions cannot be processed until all relevant checks have been cleared and approved by the Company, and you agree that you will not hold the Company liable for any price differences due to such trade delays.

(k) Deferment of Transactions and valuation

- (v) the occurrence of any other circumstances which, in the Company's opinion, renders the calculation and/or provision or publication of fair and accurate unit prices not possible.

The Company will not be responsible for any losses that may be suffered by you due to such suspension of processing for any Transaction or the provision and/or publication of the prices of units in any Fund.

(l) Termination and winding-up of Funds

- (i) You acknowledge and agree that:
 - (1) the Company may give you such prior notice as may be required by law or stipulated by the relevant authorities (and in the absence of such requirement or stipulation, in accordance with its usual practice) of the termination and/or winding-up of any of the Fund in which units are acquired under your Account, if the Company is notified that such Fund will be closed to further investments and/ or is or is to be terminated or wound up (subjected to the Company having received such notice in good time from the fund manager or trustee of the relevant Fund);
 - (2) if notice of termination and/or winding-up of a Fund is given and units in the Fund under your Account are to be redeemed, the Company shall use the proceeds from such redemption to subscribe into other Funds only if it receives the relevant Application Form from you within the period stated in the notice of termination and/or winding-up. In the absence of such instructions, the company shall pay the proceeds of such redemption to you.
 - (3) if the remaining balance in your Sub-Account falls below the minimum balance set out in the Schedule for Funds Investment, the Company shall redeem your holdings fully and proceed with the closure of your Sub-Account.
- (ii) Notwithstanding anything in these Terms and Conditions, the Company has the right to discontinue or suspend the offer of any Fund through the Company.
- (iii) You authorise the Company to redeem your investments (if any) in any Fund with a stipulated maturity date upon its maturity as specified by the relevant fund manager and pay the proceeds from such redemption to you. The Company shall use the proceeds to subscribe into other Funds only if it receives the relevant Application Form from you on or before the maturity of the first Fund.

(m) Fund information and reports

- (i) The current versions of the offering documents for each of the Funds provided to the Company by the relevant fund managers may be obtained from the Company or the Website. As the offering documents for all Funds available are prepared by the relevant fund managers, the Company is not responsible for the accuracy of the information provided in any offering document and shall not be liable for any outcome arising from the use of the information provided in such offering documents.
- (ii) You consent to receiving Fund reports by electronic means via the Secured Website, including by provision of an electronic link to the relevant reports. The latest Fund reports may be obtained from the Company or the Website at the frequencies stipulated by the relevant authorities, provided the Company has received the same from the relevant fund managers.

n) Unclaimed Assets

If there are any monies or securities standing to the credit of any Account (including a trust account) which are unclaimed by you six years after the last transaction with or through the Company and the Company determines in good faith that it is not able to trace you, you agree that all such assets including any and all accretions and accruals thereon (which in the case of monies shall include all interests earned thereon and all investments and their respective accretions and accruals which may have been made with such monies; and in the case of securities shall include all accretions and accruals thereon), the same shall be deemed to have been forfeited by you in favour of the Company and may be appropriated by the Company to itself to utilise in any manner the Company so wishes for its own benefit. You shall thereafter have no right to claim such assets and/or their accretions and accruals and you shall be deemed to have waived and forfeited all your rights to such assets and/or their accretions and accruals in favour of the Company.

o) Cancellation Notice

- (i) Right of cancellation and cancellation period
You have the right to cancel your subscription of units in any Fund within seven (7) calendar days (or such period permitted by the relevant authorities) from the date on which the initial subscription was made (the "Cancellation Period"). This right of cancellation is not available:
 - (1) if you are not an individual;
 - (2) if you are an existing holder of units in a Fund who subsequently subscribes for units in that Fund after the Cancellation Period;
 - (3) if you switch units in a Fund in accordance with sub-paragraph (iv) below; or
 - (4) if you are a participant in a regular subscription for units in a Fund, making a second or subsequent payment for subscription.

Where the last day of the Cancellation Period falls on a Saturday, Sunday or a public holiday in Singapore, the Cancellation Period will be extended to the next calendar day that is not a Saturday, Sunday or a public holiday. If you request for the cancellation of a subscription of units in a Fund, neither the Company nor the relevant Fund manager are obliged to cancel part only of your subscription of units unless required to do so by applicable law or regulation.

Any such cancellation is subject to maintenance of the minimum holding requirements set out in the Schedule for Funds Investment. The Company has the right to suspend the cancellation of units of any Fund during any period when the issue, or valuation of units of that Fund is suspended by the Fund manager of that Fund in accordance with the terms of the Fund's prospectus.

- (ii) Procedure for cancellation
Cancellation requests may be made on the prescribed administrative form for cancellation. A cancellation request must be submitted within the Cancellation Period (which is determined by the postmark for submissions made by ordinary post).

The Company may in its sole discretion reject cancellation requests with insufficient or incomplete details.

A cancellation request that is received and accepted by the Company on or before the Company's cut-off time (as determined by the Company from time to time) on a business day is treated as received on that business day. A cancellation request received and accepted after the Company's cut-off time on a business day or on a day that is not a business day, is treated as received on the next business day. A "business day" is a day that is not a Saturday, Sunday or a public holiday in Singapore.

You should note that the CPF Board, the CPF Agent Banks and other settlement agents are not authorised to receive cancellation requests.

(iii) Cancellation proceeds

The cancellation proceeds payable to you shall be calculated as follows:

- (1) for cancellation requests for units received during the initial offer period of a Fund, at an amount equal to the total amount paid by you for the subscription of those units (the "Gross Investment Amount");
- (2) for cancellation requests for units received after the initial offer period of a Fund, the lower of:
 - (i) the aggregate of the value of the units on the relevant dealing day of the Fund, based on the realisation price on such dealing day and the front-end load fee or sales charge paid (if any) for such units (the "market value of the units"); or
 - (ii) the Gross Investment Amount.

If the market value of the units is greater than the Gross Investment Amount, the difference will not be paid to you. If the market value of the units is lower than the Gross Investment Amount, the Company will pay the market value of the units only. You may therefore not get back your original investment.

The Company may deduct an administrative fee from the cancellation proceeds for expenses reasonably related to the subscription and cancellation.

(iv) Realisation and the exchange, switch or conversion of units

You may choose to realise your units by submitting a redemption request instead of cancelling them. However, you will not be entitled to any benefits that may apply to the units if they had been cancelled (i.e. there will be no refund of the front-end load fee or sales charge and the levy of any applicable realisation charge is allowed). The realisation proceeds may be lower than the cancellation proceeds if any appreciation in the value of the units is less than the front-end load fee/sales charge and/or the realisation charge (where applicable). Also, the published prices of the units are indicative in nature and can change during the period between the submission and processing of your redemption request.

You may switch units of a Fund (the "first Fund") subscribed for to units of another Fund (the "second Fund") during the Cancellation Period applicable to the subscription of the first Fund, and you shall have the right to cancel the subscription of units in the second Fund. In this respect, please note that:

- (1) you shall not receive any refund of front-end load fee or sales charge in relation to the subscription agreement in respect of the first Fund;
- (2) it is not certain whether you would be in a better or worse position if you switch Funds; and
- (3) you may be charged a switching fee for the switch.

- (g) Any electronic record relating to these Terms and Conditions, the Electronic Services, notices and Application Forms kept and/or maintained by the Company shall be conclusive evidence of the contents thereof. You hereby agree to the admission as evidence in any court in Singapore of such electronic records maintained or kept by the Company and any part, copy or computer output thereof, as an original document, and you further agree not to challenge or dispute the admissibility, authenticity or accuracy of such electronic records or computer output thereof.

- (b) The Company accepts no responsibility and shall have no liability whatsoever to you:
- (i) in relation to your receipt of advice or recommendation from your Financial Adviser. You acknowledge the importance of seeking independent financial advice with respect to any investment you may wish to make; and

 - (1) the inability or failure of any such equipment or system to accept and/or recognise and/or properly and accurately store, process and/or transmit dates or data incorporating or relying on dates, or the processing, storage and/or transmission of any inaccurate date or data by virtue of such inability or failure of any such equipment or system;

 - (vii) any failure on the part of the Company to perform its obligations or duties to you caused by or arising from any one or more of the events or matters set out in any one or more of the foregoing sub-paragraphs.
- (e) Your Financial Adviser is not an agent of the Company and has no authority to bind the Company in any way. The officers and employees of the Company are not authorised to make any representation or bind the Company in any way that is inconsistent with these Terms and Conditions. The Company does not make any expressed or implied recommendation concerning any investment available through your Account. Any information provided in relation to any investment available through your Account is furnished without regard to the investment objectives, financial situation or particular needs of any particular person, and in deciding on any Transaction you shall do so entirely on your own assessment of the merits of any such Transaction.
- (f) You agree that the limitations in this section shall survive and apply even if any limited remedy specified in these Terms and Conditions is found to have failed its essential purpose. You are aware that circumstances could arise in which the remedies and limitations on liability set forth herein may appear insufficient to you. In the light of the overall agreement reached hereunder, you agree that the limited remedies and liabilities of the Company set out herein are part of a reasonable allocation of the risks and benefits of the agreement between the parties taking all relevant factors into consideration and the availability and costs of insurance with respect to the said risks.

E2. Your liability

You agree to pay on demand all fees and charges relating to your Account. You also agree to indemnify the Company, the Custodian and their related entities and respective nominees, their respective officers and employees against any claims, liabilities, expenses, losses or costs (including legal costs on a full indemnity basis) suffered or incurred by them as a result of:

- (a) Any default by you of your obligations under these Terms and Conditions;
- (b) The performance by them of their obligations, or exercise by Them of powers conferred under these Terms and Conditions (including acting on your instructions, notices or requests and incurring fees and charges) not arising from their own negligence, fraud or wilful default;
- (c) Any infringement by you of any intellectual property, including trademarks, copyrights, rights of confidence or other rights, of any person or entity;
- (d) The enforcement of these Terms and Conditions and/or the recovery of any sums owed by you in respect of your Account;
- (e) Claims of third parties which may be brought or asserted in respect of your Account and/or these Terms and Conditions;
- (f) The acts of your agents, attorneys or Financial Advisers;

- (h) Charges owing to your error, including but not limited to bounced cheques due to wrong account number provided; or
- (i) Otherwise in connection with your Account and these Terms and Conditions.

This obligation is a continuing obligation, independent of your other obligations under any agreement which you may have with the Company. It continues after termination of your Account or any Sub-Account under your Account.

E3. Risks

As with any investment, there are risks involved with your investments made through your Account. You acknowledge that:

- (a) All investments carry a risk component. You should carefully consider any investment decisions under your Account and obtain any independent advice which you consider necessary in making such investment decisions. Portfolio values may rise and fall and you may not receive:
 - (i) a return of some or all of your capital;
 - (ii) a particular rate of return on capital; or
 - (iii) any return at all.
- (b) You are responsible for ensuring that the investments made by you meet your investment objectives and that you are in compliance with the laws, regulatory policies or other statutory requirements that may be applicable to you when making any investment.
- (c) If you give the Company an Investment Application and you do not satisfy the minimum transaction requirements set by the Company, the Company will:
 - (i) endeavour to aggregate your investments with those of other investors to meet such minimum transaction requirements; or
 - (ii) effect your instructions on receipt of instructions from other investors, which when aggregated with your instructions, meet or exceed the minimum transaction requirements.
- (d) Delays in any Transaction may occur if an Investment Application does not provide sufficient details for the Company to act on the application. This can also occur if the correct signatures are not provided, or where instructions are illegible or incomplete.
- (e) the Company shall bear no liability or responsibility whatsoever to you for any error, misstatement or omission in any Prospectus or report or any other material prepared by or issued by any Manager or Fund.

F. GENERAL

F1. Fees and payments

- (a) You may make payments to the Company in such manner as the Company may accept from time to time. You shall promptly pay to the Company any outstanding sum on the due date of (in the case of fees and expenses) the relevant fees and expenses or (in the case of any Transaction) the relevant Transaction, or upon demand by the Company.
- (b) The Company shall be entitled to charge interest on any sum or payment due to the Company from you at such rate and calculated and/or compounded in such manner as the Company may, in its discretion, impose and determine from time to time and to debit your Account in respect of the interest due.
- (c) You authorise the Company to redeem units in the Funds (if any) in which you have invested, at such times and to the extent determined by the Company, to pay the outstanding fees and expenses. In this respect, the Company may (but shall not be obliged to) first redeem units in the least volatile Fund in which you have invested, as determined by the Company at its sole discretion, and may (but shall not be obliged to) effect more than one redemption if so necessary to meet the relevant fee or expense.

Any Investment Application received from you during such redemption for outstanding fees and expenses will only be processed by the Company after the completion of such redemption.

For fees owing due to MPS, you authorise the Company to redeem units in your MPS in which you have invested, at such times and to the extent determined by the Company, to pay the outstanding fees and expenses. In this respect, the Company may (but shall not be obliged to) first redeem units based on the investment strategy defined within the MPS setup, as determined by the Company at its sole discretion. If you hold a MPS together with individual funds, the least volatile individual fund will be prioritised to be redeemed to meet the relevant fee or expense.

- (d) All payments from you to the Company or from the Company to you shall be settled in the relevant Contract Currency. In the event that monies received by the Company are in a currency other than the Contract Currency, the Company may either return such monies to you or convert such monies to the Contract Currency at such rate of exchange as the Company may at its sole discretion decide before the Company credits your Account. The Customer shall be fully responsible and liable for any losses resulting from any currency conversion. If for any reason the Company cannot effect payment or repayment to you in the Contract Currency or in the agreed currency, the Company may effect payment or repayment in the equivalent of any other currency selected by the Company based on the applicable rate of exchange at the time the payment or repayment is due.
- (e) If the investment selected in any Investment Application is denominated in an Investment Currency other than the Contract Currency of the relevant Sub-Account, the Company will convert the relevant sum for investment to that Investment Currency at such rate of exchange as the Company may at its sole discretion decide before completing your Investment Application. The Customer shall be fully responsible and liable for any losses resulting from such currency conversion.
- (f) All payments made by you to the Company shall be in free and clear funds and net of all deductions or withholdings. If you are obliged (whether by law or otherwise) to make any deduction or withholding, you shall pay to the Company such greater amount which after such deduction or withholding shall ensure that the net amount actually received by the Company will equal the amount which would have been received by the Company had no such deduction or withholding been required.
- (g) You shall be liable for any taxes, duties, disbursements, costs and/or other expenses incurred by the Company in connection with your Account or otherwise in connection with you. You shall reimburse the Company upon demand for any such payments made by the Company on your behalf. All interest, fees, commissions and other charges of the Company are exclusive of any GST or any other applicable sales tax which shall be charged to and borne by you.
- (h) To the extent permitted by law or by the relevant authorities, the Company shall make payments due to you in the following manner:
 - (i) for CPF monies, by crediting the relevant amount into your CPF Investment Account with your CPF Agent Bank or CPF Special Account (as the case may be). Your CPF Agent Bank will charge you a fee in respect of the processing of any of these Transactions;
 - (ii) for SRS monies, by crediting your SRS Account with the relevant SRS Operator; or
 - (iii) for cash, by crediting the relevant amount into your nominated bank account, if any, or sending a cheque for the relevant amount to your last known address in our records. For cheque returns in respect of an Account which is held as a non-minor Joint Account, cheques will be issued jointly to all accountholders.

You understand that the Company may impose a service charge or administrative fee at such amount as the Company may prescribe from time to time for the replacement or reissuance of cheques.

- (i) The Company shall not be liable to you or any other person for any loss whatsoever suffered that is attributable to any payments or transfers made by the Company in good faith.

F2. Right not to act

Notwithstanding anything in these Terms and Conditions to the contrary, whether expressed or implied, the Company shall be entitled at any time to decline to act on your instructions with respect to any Transaction or Investment Application without assigning any reason for doing so. In particular, the Company reserves the right to reject instructions that are, in the Company's opinion, incomplete, unclear or ambiguous, or which may cause the Company to contravene any laws or regulations for the time being in force, or if your signature differs from that given as a specimen to the Company. The Company shall not incur any liability to you as a result of the Company's refusal to act.

F3. Statements

- (a) Statements confirming your Transactions will be sent to you via the Secured Website (or via such other methods in circumstances as may be determined by the Company from time to time at its sole discretion) at the frequencies stipulated by the relevant authorities or otherwise in accordance with the Company's usual practice. For the avoidance of doubt, statements that are being disseminated other than via the Secured Website may be ceased at any time by the Company without giving any reason or prior notice, and thereafter all such statements will be sent to you only via the Secured Website.
- (b) You may access the Secured Website with your assigned user identification and password to receive statements on your investment balances, Transactions, the performance of your investments and other information as may be provided by the Company from time to time.
- (c) The Company will send statements of your investment holdings to you via the Secured Website (or via such other methods in circumstances as may be determined by the Company from time to time at its sole discretion) at frequencies stipulated by the relevant authorities or otherwise in accordance with the Company's usual practice. For the avoidance of doubt, statements that are being disseminated other than via the Secured Website may be ceased at any time by the Company without giving any reason or prior notice, and thereafter all such statements will be sent to you only via the Secured Website.

F4. Communications

- (a) Any notice to be given by the Company to you will be sent through secured electronic mail via the Secured Website or via such other methods in circumstances as may be determined by the Company from time to time at its sole discretion. Any such notice shall be deemed to have been sent at the time of transmission or (in the case of any other mode of communication) at the time of despatch.
- (b) Any advice or confirmation that an instruction has been received and/or a Transaction has been effected through the Company will be sent to you through secured electronic mail via the Secured Website or via such other methods in circumstances as may be determined by the Company from time to time at its sole discretion. Any such advice or confirmation shall be deemed to have been received by you immediately after transmission or (in the case of any other mode of communication) at the time of despatch, and it is your duty to check such advice or confirmation.
- (c) Where the Company receives any instructions via telephone, the Company shall not be obliged to act until its receipt of confirmation of such instructions in writing or such other form as may be acceptable to the Company.
- (d) Any notice or communication to be given by you to the Company must be in writing and be delivered personally, or by post, or secured electronic mail to such address as the Company may provide on the Website from time to time. Any such notice shall be deemed to have been received by the Company only upon actual receipt by the Company.

F5. Changing your details

You have to inform the Company immediately in writing and provide any additional documentation which we deem necessary if:
